07 Snowball Note Icebreaker

Play time	10-15 min	**Setup**	2 min
Group size	8-40 people	**Materials**	Scrap A4 paper or notepaper, pens

How to play

1. Each person writes one small thing that happened to them this year, without their name.
2. Crumple the paper into a 'snowball'. On the signal, toss snowballs gently for 30 seconds.
3. When the signal stops, pick up the nearest snowball and open it.
4. Take turns reading them aloud and guess together whose story it is.

Host script

"Write one small thing that happened to you this year. No names! Done? Scrunch it into a snowball. One, two, three, throw!"

Tip Remind everyone not to aim at faces. Give examples so nobody writes anything too personal.

01 Christmas Word Bingo

Play time	15-20 min	**Setup**	5 min
Group size	4-40 people	**Materials**	Printed bingo cards, pens, word slips

How to play

1. Give each player a different bingo card.
2. The host cuts the word list into slips, puts them in a box and reads them one at a time.
3. Players mark a word if it is on their card. The centre square is free.
4. The first to complete a row, column or diagonal shouts 'Bingo!'.
5. The host checks the card and celebrates with applause or a small prize. Continue with two lines or full card rounds.

Host script

"Everyone has a card? I will draw Christmas words one by one. When you finish a line, shout 'Bingo!' nice and loud. The first word is... 'snowman'!"

Tip Turn each word into a mini riddle: 'Which sleigh animal is famous for its red nose?'
